

## **Certification Program Application**

Dalcroze Canada (DSC) awards the Dalcroze Certificate by examination after intensive study of Eurhythmics, Solfège, Improvisation, and Dalcroze teaching methods. The Certificate qualifies candidates to teach children and adult beginners. Successful applicants have strong general musical skills, good basic training in voice or piano, and strong motivation as teachers.

At the discretion of the DSC Director of Studies, students who have completed training at an accredited Dalcroze Training Centre may apply all eligible course work hours toward the required DSC certification training hours. However, students must still enroll in at least one DSC Summer Course to be eligible to take the exams through the DSC – this allows the DSC teachers an opportunity to observe and provide feedback on the student's readiness for the exams. Additionally, students will be required to provide thorough documentation of previous studies and arrange a consultation meeting with the DSC to ensure the content and experience gained through previous studies match the DSC curriculum requirements.

The Dalcroze approach is highly individual and as a result, it is not possible to say how long it takes to complete a certain level. A student's progress is based on previous experiences in music, movement and improvisation and overall suitability for the work. A candidate's application to take an exam is subject to the approval of teachers who have had a chance to observe responses across a range of music and movement activities.

The DSC will consider the Application complete when it is in possession of the following:

- This application, with all information completed
- Registration fee

Items should be mailed to:      Dalcroze Canada  
                                                 915 Inverhouse Drive, Unit 80  
                                                 Mississauga, ON L5J 4B2

Attn: DSC Registrar
